Debbie & Daryl Kerce

At 10:30, the upbeat music of inspiration begins and the worship leader can be heard saying, "How many of you are here to praise the Lord this morning?" Hands go up and voices shout "Amen!" as Daryl Kerce Jr leads the New Life International Church in songs of praise and worship-songs that focus our spirit on the Lord who is worthy of all our praise. Songs that set our minds on pure worship and admiration giving God the glory and honor He alone desires. Songs that bring tears of joy and shouts of Hallelujah from deep within. Songs that prepare our hearts for a message from God. With a mixture of contemporary and older music, Daryl and the Praise team follow God's leading to bring the congregation to a place where we are eager and hungry for more.

Daryl sang his first solo in church when he was about 8 and at the young age of 10 realized God's calling on his life. He knew then that the

talents God had blessed him with were to be used for God's glory. He committed his talents to the Lord and began playing the organ for church services. In 2000 Daryl became the worship leader for Power and Praise Worship Center which is now New Life International Church. His shyness from the start has been replaced with a spirit of boldness to lead God's people in holy worship and praise, honoring the One who is above all others.

For the past 7 years Daryl has been worship leader for several youth and district events and has used his talents to share his own testimony through song.

Daryl is joined each Sunday on the platform by his wife Debbie who is an integral part of the praise team. She grew up in the church with her family and became a friend and bowling partner with Daryl before a romance blossomed. They were married in 2003 and are now raising their two young sons Kaleb and Nathan to love and worship God. Devotions, prayer, and music play a vital role in their family life to instill the same Christian values that helped them become the strong witnesses they are today.

They both claim II Corinthians 4:7-9 as one of their favorite verses.

7 But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us.

8 We are troubled on every side, yet not distressed; we are perplexed, but not in despair;

9 Persecuted, but not forsaken; cast down, but not destroyed;

Daryl says that "Life's journey isn't always easy, but God is always there to help us with anything and everything we need!"

They are both excited about New Life International Church and the blessings that God has in store for them and us as a body of believers. If we just allow God to ignite us with His Holy Spirit and then follow His will for our church, GOD will do miraculous things with NLIC.
