

## **GET TO KNOW ME!**

**Ronald Lee  
"Delivered of God"**

**Deliverance from what binds us sometimes comes slowly, gradually, progressively- but after years of being bound by fear, God brought Ron INSTANT deliverance.**

**For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.**

**II Timothy 1:7**

**This is Ron's favorite verse and a very important promise that God gave to him.**

**Ron grew up in a home with a domineering abusive father, who would not go to church. Despite this influence, he had a strong willed mother who refused to raise boys without God as a part of their lives. So she found them a church- a "real" church- a Pentecostal church! However, because of the family issues in his young life, Satan had bombarded him with a bondage of fear-fear from all directions. He experienced fear in every area of his life and no matter how hard he tried, Ron could not escape it.**

**Then one night in 2011, Ron awoke overcome by fear. He lifted his hands to God and cried out for deliverance and instantly God showed His love and mercy and that deliverance came! Hallelujah!**

**Ron's father also became a Christian, attended a Church of God, began to experience a true fellowship with the pastor, and asked for Ron's forgiveness. Healing for both was given by God and Ron was able to care for his father during an illness that took him home to be with the Lord.**

**Even through Satan's earlier attacks, God used Ron's dedication and faithfulness for His glory. He, his wife, Pam and two daughters were very involved in church. For many years at Faith Temple Church of God in Madison Heights, Ron used his knowledge and gifts as a member of the choir, Pastor's council, finance committee, Sunday school teacher, and treasurer. His daughters, Rachael, 29 and Rhonda, 24 are still actively involved in music and worship in their church.**

**Ron loves to worship with God's people. He has experienced being in a large congregation that offers every kind of program and resource. However, he also loves a small congregation, the close knit family atmosphere with its openness and strength. Ron remembers coming to our church four years ago broken, hurt, and in need of restoration-and that is exactly what God brought him. Our church family wrapped their arms around him and surrounded him with God's love and he was restored.**

**Now his desire is to reach out to others who are hurting. He wants to share the gift that God gave to him and he knows that a church family can minister to each other in many different ways.**
